Program: Joyce Streuding introduced Bill McKenna who provided a presentation on Toshiba Resources and sites for helpful information

- Extreme Personalization personalizes letters, postcards, pamphlets, tickets, etc. to various groups (age, economic, interest, etc.) from your database. All letters, once printed, will remain in the correct USPS bulk mailing order.
- Color Management makes items pop with better definition and harmony.
- Pre-Designed Templates and Graphic Design makes communication fast and easy to create. Newsletters, brochures, postcards, calendars, flyers, inserts, PowerPoint presentations, are some of the documents available.

Bill handed out various samples and took time to answer questions during the presentation.

Next Meeting: September 8, 11:30 hosted by Debbie Vignes at University UMC. Speaker will be the Rev. Michael Reeves who will talk about Financial Communication in Church.

Respectfully submitted,

David Thomas
