Report/Action Items:

1. Minutes were reviewed. Butch Gerfers made the motion for their approval. Hermy Rudloff provided the second. Minutes were unanimously approved.
2. The Financial report for January was presented by Butch Gerfers. We had income of \$271.00 from membership dues, with no expenses. We finished the month with \$609.53 in our Checking Account and \$1,500.91 in our Savings Account, for a total of \$2,190.44. Debbie Vignes made the motion for their approval. Jerry Kirkpatrick provided the second. Report was unanimously approved.

Program: Lucas Novak and Rick Gonzales from the Novak Group was our “Vendor Spotlight” for the month.

- The Novak Group is a family owned company that has been faithfully serving businesses and organizations nationally and internationally. They specialize in offering state-of-the-art energy solutions to schools, churches, commercial and government organizations.
- A proven approach: it’s a simple formula. Save energy and you save money! How is this accomplished?
 1. It begins with a consultation of your current situation, i.e. energy bills, your facility and existing technology.
 2. They compare your energy use to your energy needs. They look for inefficiencies.
 3. They recommend design solutions that address your needs. They can assist your organization in finding funding sources through rebates, tax credits, grants and guaranteed paybacks.
