Program: “Valentine’s Day Special”

Rev. Mark Elliott

- Mark Elliott presented a PowerPoint presentation on evangelism, which is accomplished daily by Church Administrators in every contact made. As with the saying by John C. Maxwell: “People don’t care how much you know until they know how much you care”
- During the presentation, many drawings were made for gift cards and candy
- What is your personal #1 asset? Health
- What is your church’s #1 asset? The Body of Christ – the people
- Church Directories are an important piece of this process – knowing the people in your congregation. It’s very important for the church members to know who is sitting around them on Sunday morning. If they do not know each other, they do not feel connected and may not fully participate.

Upcoming Events:

Next Meeting: March 14th meeting to be determined – need a volunteer to host

The meeting was closed with prayer.
