

NACBA – Alamo Chapter
Minutes of the 16 January 2014, 11:30 a.m. Meeting
St. Luke's Episcopal, San Antonio, TX

Officers Attending: Dave Thomas, President; Darla Nelson, Vice President; Dale Hendrix, Treasurer; Norm Hils, Secretary.

Members Attending: Butch Gerfers, Sharon Hardie, Yancey Walker.

Guests Attending: Rick Gonzales, Bryant LeMonte.

Dave Thomas opened in prayer.

Report/Action Items:

1. Minutes of the November 14, 2013 meeting were reviewed and approved as presented. Notes from the December 12, 2013 gathering were reviewed.
2. Treasurer provided a current financial report and noted the financial activity that occurred since our last formal meeting. End of month account balance was \$402.65. Financial report was formally received.
3. Dave Thomas reviewed the chapter meeting schedule and indicated he (or Darla) will ask Michael Fanning if he would present a teaching about Israel at the February chapter meeting at Oak Hills Church. Dave reported that Patti Malott's topic in April would be Personnel/Employee Manuals. LaMonte Bryant offered to bring an insurance expert to the March meeting if desired. If Dave and Darla decide on that topic for the month, they will contact him.

Program: Roundtable Discussion

Sharon Hardie shared that she has booked Frank Sommerville for a day of teaching on April 24th, 2014, at the Doubletree Hotel just outside Loop 410. She will provide detailed information to Norm and Butch for publishing.

Darla queried the group about their use of children's check-in software/hardware, and we discussed various options available. See attachment for the product she is demo-ing.

Guest LaMonte Bryant is considering moving from the corporate world (insurance business) to church business administration at Everyday Christian Fellowship in Cibolo. The group took time to share words of encouragement and recommended valuable resources such as Richard Hammar's, Dan Busby's, and Frank Sommerville's materials.

Dave announced the Church CO-OP Texas Ministry Conference in Houston on February 20th 2014.

Meeting adjourned at 1:00 p.m.

Next Meeting: February 13th, 11:30 a.m. at Oak Hills Church.

Respectfully,

Norm Hils
NACBA, Alamo Chapter Secretary

lambslist

secure web-based check-in

Lambslist is a web-based check-in system that helps children's pastors and administrators better serve His flock. Serving churches for over 25 years, Microframe knows how difficult it is to reduce classroom check-in times, collect meaningful follow-up data, and manage volunteer resources. For these reasons, Microframe developed lambslist as the affordable web-based check-in solution. With a user-friendly design, lambslist offers a simple user interface with familiar web-based controls.

features

Free 30-Day Trial · 100% Web-Based · Online Reporting · 24-Hour Access · 256-Bit SSL Encryption · Dymo Label Printer · Online Video Training · Free Tech Support · Pager Tracking · Unlimited Check-in Stations · Unlimited Users · Unlimited Locations (Multi-Campus) · Unlimited Database Size · Unlimited Text Messaging · Free Data Uploads · No Long Term Contract or Hidden Fees

benefits

Speed Up Registration: Quickly register children for class and print pick-up cards and name badges.

Kiosk Capability: The ability to utilize self-operated kiosks reduces staffing numbers per service, and expedites the check-in process.

Communication Options: Remind parents of upcoming events, call parents to a room, or contact volunteers via SMS text messaging and mass email options

Family Based: Parents or volunteers need only find one account in order to check all their children into class.

Increase Security: Every child receives a random security code assigned to them at check-in and parents will have this matching number on their pick-up label.

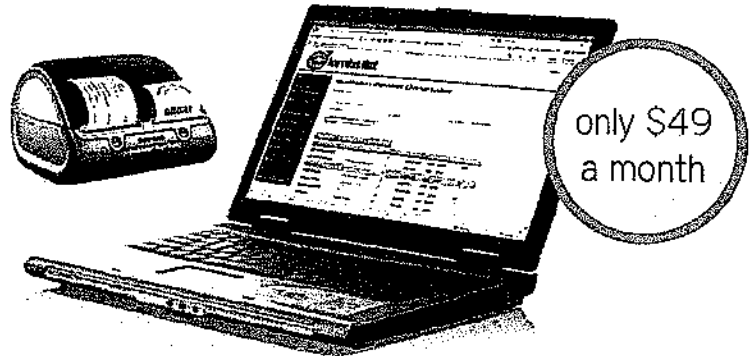

Promotion: Advance your grade-based children with the touch of a button. Age-based advances automatically.

Smart Setting: Based upon service and room settings, Lambslist determines the appropriate room for the child to be checked into, reducing the potential for inaccuracies.

Reporting and Data Retrieval: Lambslist has several key reports built-in to help you with oversight of the ministry and stewardship of your resources.

- Improves Staff and Volunteer Efficiency
- Saves Valuable Time and Work Hours
- Provides Accurate Follow-up Stats
- Works with Mac/PC

built-in reports

Child Attendance History · Classroom History · Overall Children's Ministry Attendance · Lost Sheep · Classroom Overload and Capacities · First-Time Visitor · Birthdays · Export Capabilities

how it works

With lambslist's easy-to-use interface, volunteers or parents can search by: 1) first name, 2) last name, 3) barcode, 4) phone number, 5) or by room. Search results are displayed on the screen and available for check-in. For label printing needs, lambslist works with Dymo LabelWriter printers. Administrators can monitor real-time attendance stats and produce reports from any Mac/PC.
